

Dolls for Regina

Filesize: 8.01 MB

Reviews

This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Xulon Press, United States, 2015. Paperback. Book Condition: New. 277 x 213 mm. Language: English . Brand New Book ***** Print on Demand *****.In a small, very poor village of Africa lives a five year old girl named Regina. Her heart's desire is to own a store bought toy. Missionaries from America visit the Big Village, but leave Regina heartbroken . Dirty drinking water causes sickness to spread throughout the villages. The missionaries return with toys. Greater than this, they return with prayers for the people. That which happens to Regina causes lives to change forever. About the Author Kenneth Orr, the author of Dolls for Regina, began his life in praise and worship services. He was faithfully taken to church by his parents, William and Mary Lois Orr, from an infant through his teen years. As builders of real estate properties, Kenneth's parents influenced his love to build things and to use his creativity. He preached his first sermon at his home Church as a nine year old child. Throughout his life, Kenneth has been an enthusiastic witness for his Savior, Jesus Christ. Working with Jesus Festivals in Columbus, GA, he handed out Gospel tracts and held youth meetings in his parent's home. The spark of inspiration for Kenneth influencing children about the Gospel came from times when he would play the roles of various Biblical characters. Today, he is a key member of an International Missionary Outreach for Christ in Rewa, India. Kenneth prays that many children around the world will have the opportunity to read this book and receive the gift of salvation through Christ Jesus. About the Illustrator The illustrator of Dolls for Regina, Gwen Hale, recently retired after 33 years of teaching in the Georgia Elementary School System (grades K, 1, 4,...
